OBJECTIVE

I am looking for a role that will allow me to gain a deeper understanding of the industry and develop my skills through the lessons I'll learn from other individuals. I would also like to experience a work environment that's professional and has a work culture that's conducive to learning.

EDUCATION

BS-SE || SARHAD UNIVERSITY (SUIT)

2017-2021

- As a Student always have an interest in programming related Subjects.
- As a student I've learned programming languages like Javascript & PHP

EXPERIENCE

Front-End Designer

- I have no prior great experience in Front-End Designing but yeah I learnt a lot of things as a beginner and create clone of some latest Simple webpages.

SKILLS

- HTML
- CSS
- Bootstrap
- PSD or XD to Html
- Used this for the structure of Web pages.
- Used for styling of webpages.
- Used this framework to make interfaces.
- Used To convert Photoshop or Adobe XD designs into HTML & CSS webpage

ACTIVITIES

In addition, I am constantly improving my abilities by learning new technologies to improving my abilities.
